

Thank you for choosing YKnot Fish. We strive to put you on fish.

We can assist you with transportation from the following airports. Jacksonville (JAX) or Tallahassee (TLH). We can help with Lodging as well, with local offerings ranging from one star to four stars, based on availability and budget.

We specialize in inshore and in close fishing. We fish the pristine Steinhatchee Estuary, in the Big Bend area of the Gulf of Mexico. Unlike other Florida areas, this area is mostly undeveloped and natural. We target Red Fish and Trout, with the occasional Flounder, Cobia, and Spanish Mackerel.

All of our boats are set up for safe fishing, with all coast guard required safety gear on board. All of our Captains are Coast Guard Certified and have intense area knowledge. We know where the fish SHOULD BE. We do all we can to ensure your time with us is productive, relaxing and pleasurable. We want you back!

We provide the necessary fishing licenses, tackle, and appropriate bait. Mostly artificial bait is used. We provide rods and reels as well, though you are welcome to bring your own. We also provide ice and bottled water. You may bring drinks, snacks, lunch, etc. There are several providers of lunches in the area that are close by, including a subway for a fresh sandwich to be purchased before leaving the dock. There are no provisions after leaving the dock. The on board toilet is a bucket. It is a single bucket, for use by young and old, male and female.

Those scalloping MUST provide their own mask, fins and snorkel. Please test equipment prior to arriving. There are several purveyors of scalloping equipment in the area that charge very reasonable prices should you need to purchase.

Your deposit is NON REFUNDABLE. It books your trip. It takes a day off of my calendar for others to book. If you cancel, I lose money. If we cancel due to weather, that will be my decision. If we cancel due to weather, due to an act of God, I will issue a credit on your next trip in the amount of the deposit.

Please complete the following information on the next page, and return to me ASAP. You may email me at info@yknotfish.com, or fax to me at 1-866-497-7717. Your trip is NOT BOOKED until this completed form and a \$250 deposit is received. Then, it is booked. Credit cards and Pay Pal are welcome for deposit. Cash is appreciated for final payment.

We fish out of River Haven Marina, located at 1110 Riverside Drive, Steinhatchee, FL 32359. The phone number is 352-498-0709. VERY IMPORTANT!!!!!! Give your significant other the phone number. Cell phones most often do not work on the water. If there is an emergency, A REAL EMERGENCY, and you can't be reached by phone, the marina can contact us by radio while we are on the water. Please make sure that you give the number to your closest of kin, to be used ONLY in case of emergency.
